

Prevention and Deterrence of Terrorist Acts - Law Enforcement Version

DHS Course #: AWR-122-W
Training Level: Awareness

Hours: 1.5
Format: Online Training

Description

As the threat of terrorism has increased and evolved, the United States government has expanded its support for initiatives to prepare first preventors to prevent and deter terrorist incidents involving weapons of mass destruction, to include chemical agents, biological agents, radiological or nuclear materials, and explosives (CBRNE). This online training course is an introduction to the material presented in the instructor-led *Law Enforcement Prevention and Deterrence of Terrorist Acts* course. This course is designed to provide law enforcement participants with the needed information to assist in preventing and/or deterring a terrorist act. The U.S. Department of Homeland Security is supporting several major initiatives to prevent and/or deter terrorist incidents. This course is one of those initiatives and was developed in a collaborative effort by the National Domestic Preparedness Consortium.

Primary Audience

This course is designed for law enforcement personnel who may prevent and/or deter terrorist incidents related to weapons of mass destruction. This includes personnel in state, county/parish, tribal agency, or municipal law enforcement.
