Site Protection and Document Screening Techniques

Facility Requirements (Host-Provided)

The host agency will be required to provide the following classroom and logistical needs:

- 40-person classroom (for 30 participants plus instructional support personnel), environmentally controlled (heating, ventilation, and air conditioning [HVAC]); with tables and chairs to accommodate room for course manuals and note taking
- Audiovisual equipment: projection screen or area in classroom for projection
- Large whiteboard (or chalkboard)
- Three easels pads with markers
- Eight power outlets in the classroom for audiovisual components and computers used by the instructional support personnel and participants during the course
